### The Premises:

Clean, pleasant, discreet. I gathered beforehand that Debbies had a good reputation, and I could see why. The maid was friendly and welcoming, and there was no pressure or rush.

### The Lady:

Quite simply gorgeous. The website photos give some idea, but she is tall, leggy and with a stunning body. She is remarkably pretty with piercing blue eyes and cute, perfect features and lush dark hair. Beautiful full breasts and an amazing curvy bum. I found myself wondering if her name was in any way a reference to Katy Perry, because there is a resemblance.

### The Story:

On meeting Katie I decided half an hour would be insufficient so requested 45min, the price for which was surprisingly reasonable. I asked to give her body worship, and she took me through that perfectly: starting my kissing her feet as she stood above me in heels. Then as requested I undressed her (she was wearing a tiny cut-off dress and thong), and after I pulled her panties down she bent over so I could lick her pussy and arse. Delicious. After that there was plenty of pussy-eating in various positions, while I also sucked her gorgeous breasts and she talked dirty to me. She did a toy show with a big vibrator which she used in both holes, which turned me on immensely. She also let me kiss her fully, which was a pleasant surprise. Never did I feel at all rushed - she was friendly and kind throughout and made sure I had a wonderful time. To be recommended. In fact as I write this I'd love to go back - but she's only there once a week by which time I'll be out of the country.
