The Premises:

Quiet cul-de-sac in a nice area just a couple of minutes off the A1. Hardly anyone about. Plenty of parking.

The Lady:

Curvy redhead in her mid-twenties with a cute Irish accent. Almost fully shaved (just a few red whisps deliberately left down there).

The Story:

Having got to know Lady V through the Punternet chatroom, I couldn't pass up the opportunity to drop in when work took me up north.

Victoria opened the door wearing just a negligee, so all ready for action. We had discussed in advance doing some w/s, and Victoria was keen to get straight on with it (must have been bursting!). After some passionate kissing and fondling of her large boobs had got me hard she took me in her mouth; we then both stripped and moved to the bathroom where she delivered on her promise. I moved on to standing in the bath fucking her tits, and came hard in that position - which was nice! The deep red flush on Victoria's chest told me she enjoyed it too.

After getting clean again and a nice chat I asked to lick her pussy - this got her very aroused and so I moved on to fucking her. Victoria clearly loves sex in its many forms. I was able to continue my long journey refreshed and invigorated!
