The Story:

Found this lady via other field reports on punternet, so glad i did !Got inside to be greeted by a lovely smiling face dressed in sexy night wear . Got the money out of the way undressed and she got on top of me , played with my nipples got me aroused , it did not take long !! then started sucking my cock , HEAVEN !!!.

She asked me if i like to eat pussy ? (of course i do !!!) , so she got into the 69 position and i licked her pussy forever her juices were flowing.mmmmmmmmmmmmmmmmm we stayed like this until she slipped the condom on and she rode me , it was a fantastic sight, her sexy bum in front of me . We changed positions a few times until i could take no more and i shot my load .. Best punt i have had in a long time , super sexy lady who knows how to excite a man and i will be going back for more
