The Lady:

Beautiful indian girl with the biggest tits I have ever seen. I was blown away by the size of them. And 100% natural, Absolutely amazing.

The Story:

This girl is one of the nicest WG I have ever seen. She is so endearing, I have never come across a WG that totally has the ability to make you forget you are paying them. I was completely relaxed and made to feel welcome within the first few seconds of her walking into the room. Deepa is obviously Indian born, maybe that's why she has such an innocent flair about her. She massaged me first, I did get her to give me body to body. I just had to with those huge tits, it would have been a crime not to! I opted for mish followed by Deepa riding me. I didn't last long once she started bouncing those huge tits in front of me. I loved every minute with this girl. She's not only sexy but she is genuinely one of the nicest people I have met. I was going to keep this one a secret, but as I always read reports you guys have written, I thought it selfish of me not to. I am counting down the days for my next visit to Indian Palace.
