The Premises:

The regular flat in central Milton Keynes - it's an Ok place

The Lady:

Not as attractive as her photos suggest. No real figure and dowdy bottle blond hair, but pleasant enough.

The Story:

A chirpy girl who gave good OWO before putting on a rubber and preforming cowboy; doggie and missionary. If just sex and company is what you want, Kiara is fine - if you want something beautiful to look at whilst humping I suggest you try someone else.
