The Premises:

Long established sauna with shop front on a busy intersection. Conspicuous entrance & everyone must know what you're upto! Fortunately door from pavement is open so you don't have to wait to be buzzed in. Inside it is a suitably seedy sauna massage parlour with dark dated decor. Area felt very safe at that time of day.

The Lady:

Lovely little Lithuanian girl. Short with long dark hair, lovely tits & arse, curves in all the right places & Brazilian pussy. Very good English.

The Story:

?20 got me through reception where I was greeted by the sight of two lovely ladies in very sexy pink baby doll massage uniforms. I was offered a shower which I accepted then waited in the massage room for Natalie to attend to me. The room was very dingy & not exactly sound proofed. Natalie began to massage by back & said that if I wanted to stay for "service" it was an extra ?50. Back massage started well but just as I was beginning to think that this had been a good move she invited me to turn over after approximately three minutes. She removed her dress & began to administer some very average oral with, dressed only in her knickers & platform heels. I stood to attention pretty quickly & she asked me what position I wanted. I opted for doggy with her bent over the massage table & the sex was quite good. When I was ready to come we switched to mish & I finished inside her (with condom). Quick wipe down & shower, then I was on my way. Lovely girl & I left relatively satisfied but I was disappointed at the lack of foreplay & the mechanical nature of the service. I will probably return if passing as it is convenient but will not go out of my way.
