The Premises:

Basement flat. Clean and OK to find near station.

The Lady:

A look I like very much. Very curvy and sexy girl with a little bit lighter skin than in photos. Very friendly. Her English is good and she does speak well.

The Story:

Very well presented lady although she talked a lot at first. She was relaxed and we had a drink. She is very nice and tries hard to please. Ok without condom for oral. She was enthusiastic when I led her to the bed and her on top was very satisfying and she was into it. Her kissing was gentle and I finished over her big breasts. We talked for a little bit and she is very sweet. The only bad thing was that she sent two SMS messages during our time together but she was apologetic about this.
