The Story:

Rebecca gace a very professional massage touching all the right places, and getting me really realxed. The body to body massage was amazing, and the "happy ending" words can't describe. This is the second time I have seen Rebecca at ego, and at the end of the appointment she thanked me for coming again and said "who knows next time I might be even better". Well can you improve on perfection....
Guys, treat her well she more than deserves it.
Rebecca, if you are reading this thanks for a brilliant time, and I will be back.... soon. Tony XXX
