The Premises:

Top place in south kensington. very discreet

The Lady:

Karolina has porcelain white skin with dark long hair. she is good looking as in her photos and has a mischievous smile giving a hint at what's later to come

The Story:

I have seen karolina once before and as she had left a lasting impression on me decided to see her again on her return to south kens.

The encounter with her was very satisfactory in fact 10/10, mainly because she has the same mentality to sex as I have. She is one heck of a dirty gal, up for almost anything. I wanted her to be submissive to me... so i called her my bi*ch while she called me master.. hee hee!. During the session she took my cock all in at one go deep throating me, while I held her hair firmly to gag her on my cock. I sucked and sniffed on her sexy toes, always a favourite of mine. I licked and kissed her body all over.

Sex was firstly cowgirl, she riding me while i stuffed my fingers in her mouth for her to suck on them. Next she wanted me to fuck her doggy and wanted it deep as i lay on top of her from behind. Pulled her hair, called her my sl*t.. wonderful..

Finally, I wanked my cock and came into her mouth.

Karolina is certainly a great gal who loves sex, I have a feeling, in all its forms.

Highly recommended and will see her again in future
