The Premises:

Reasonably discrete however as somebody else commented perhaps too close to Central Milton Keynes shopping area. However as you go through the entrance there are several doors you could be heading for. Nice area though and felt safe.

The Lady:

Very slim tall pretty young lady full of confidence and relaxing chat. Really lovely body with small breasts.

The Story:

Kissing was with tongues and very soft and tender, on moving down to provide oral she made it clear no fingers! shame! never the less she still achieved a good orgasm.

Started with nice slow oral on me with ball stroking, leading to at my request reverse cowgirl unfortunately she was unable to continue due to back pain so we reverted to cowgirl which was a real turn on for me as I was able to look at her beautiful face combined with her natural tightness and yes a wonderful orgasm for me.

I would recommend that you visit just to view her, sex although anticipated and expected is a very pleasant bonus.
