### The Lady:

Everyone has a different idea about what denotes beauty, but to me Amelia can be summed up in two words; absolutely stunning. Lovely dark hair, not too tall, fab breasts ( although she doesn't like them!)

### The Story:

Not the first time I've seen Amelia and it sure won't be the last.A couple of drinks, some good music, great conversation and the company of gorgeous girl on a Sat night, what more could a guy ask for?I'm too much of a gentleman to describe our bedroom activities but just to reassure you all, you won't be disappointed.Thanks Amelia see you soon XX
