The Premises:

Quiet residential area with plenty of parking.

Access to flat open at all times and just need to knock or ring the door bell. Very clean with use of toilet facilities available if needed.

The Lady:

Stunning Blonde Lady that always dresses to please. Nurse uniform , maid uniform and always in high heels and stockings and with massive tits.

The Story:

Started with her teasing my balls and talking real dirty which i like, then on with the condom for a right good old deepthroat sucking which i found to be great as not alot of girls go so deep.

Then i was asked if i would like anything else as she aims to tease and please !! By now i just wanted to fuck her doggy style as my balls needed emptied and as i was fucking her doggy she was reaching through and rubbing and pulling my balls which was way too much for me as i shot my load. Great easy going lady with a good sense of humour and not a clock watcher. Def be back to see Amy soon
