The Premises:

A very clean and tidy flat in the Diocks, which is a regenerated part of the town. Plenty of pay and display parking.

The Lady:

Two mature ladies, very curvy in all the right places. Carley has nice big breasts with prominent nipples, while Julia is slightly less well endowed, but makes up for it with a very curvy bum.

The Story:

This twosome work very well together. I was welcomed with lots of kisses and cuddles, and a glass of wine, then Julia and Carley gave me a little girl on girl show to get me warmed up before the main actions tsrtaed. Everything was unrsuhed and I was made to feel very special. Of course we all fucked each other several times before I came, and then we chatted for a short while before I left. A really nice afternoon.
