The Premises:

A modern hotel near Euston Station

The Lady:

Beautiful tall mature (40s) Australian brunette with womanly curves. Dressed to please in stockings and lingerie. The photos on her website are accurate and recent but only tell half the story. In the flesh she's even better.

The Story:

This guys, is as good as it gets. A warm friendly welcome and a short talk to put you at ease and find out your wants is followed by a brief but firm back massage.

Then turn over to more intersting pastimes. She has beautiful full, natural breats which are sensitive by cry out to be sucked.

From then on I think that discretion is the word but as soon as I can, I'll be back. The action was interspersed with good intelligent conversation.

Her hotel room has shower facilities and comfortable large bed. I was invited to use the shower and freshen up.

Angie says that she has only been doing this for two years but she clearly enjoys her work and in my opinion was made for it.
