The Premises:

Due to the time of night, it was very easy to park and find and the area felt safe. The flat was spotless and the room (Deluxe Lounge) was the most clean, warm and welcoming that I have ever experienced.

The Lady:

Pictures are reasonably accurate, Louise is a very attractive young girl.

The Story:

From the moment I walked in the atmosphere was very friendly, the doorman showed me to the room and offered me a drink.

Louise walked in with a big smile and a kiss and made me feel totally relaxed. Chat was friendly and easy with no uncomfortable silences.

From the moment she walked in we hardly stopped, everything was on offer except A levels which was fine with me. Great DFK and OWO and she tasted divine. Exploded quite early (as is usual for me) with CIM, but it wasn't long before Louise made the soldier rise up, ready for round 2. Amazingly for me there was nearly a second explosion when there was a knock on the door to acknowledge that my time was up. However, Louise even offered to carry on for a few more minutes to complete the job, which I declined as I didn't want to take advantage.

Overall it was a great experience and I would recommend Louise to anyone who focuses on kissing and oral which is a must for me.

Hope the PT sessions don't leave you aching too much next week!
