The Story:

Not sure how many punters would be into this sort of thing. I had a 4 handed massage with Dana and Delli - both amazing and sexy girls. This is not sex but pure pleasure! Was my first ever experience with tantra and all I can say is that it has the best of both worlds - it is safe and the pleasure is way beyond normal intercourse.

I won't go into details but all I can say is that I felt happy all week after this session! It was simply amazing...I think I will keep going again and again...and again. Try it and I can assure you won't be dissapointed! Trust me but beware it can get addictive!!!
