The Premises:

Easy to find on a side road by the station. Large sign above shopfront makes it obvious but you go down a hallway so not waiting in street to get in.

The Lady:

Stunning. Words will not do justice here. Victoria was wearing the usual uniform of very short pink dress (see picture on website) underneath sexy lingerie including the smallest string I have ever seen and fishnet. Size 8 with small tits and perfect figure

The Story:

Paid ?20 admission and offered a choice of 3 ladies. All looked good but victoria stood out by a mile. After a shower we went up and i opted for the full personal with toy show. Massage was ok and then we had a good sesh with her vibro and boy can she play. Started oral but I just had to fuck her. Started in mish, from behind, standing and back 2 mish to finish. She genuinely enjoys her work. I've never written an fr b4 but have to say this girl is the best I'll be back for more.
