The Story:

West Ham Hooligan headed for Chelsea turf agian, better than website pictures, started with a assisted bath which was fantastic. Would not let me lift a finger done everything for me including washing my arse and old man and the drying me down with a towel. offered me a beer (big mistake) as I think I drank her bar dry 4 cans i think. Not going to go into detail but what is it about these oriental women,they treat their men so good felt like a King. Great girl to talk to as well left with a huge smile on my face back to East London. And as is tradition for me a few jars in the Boleyn Pub (Hooligan Mecca). Paid my respects to the Bobby Moore statue @ Upton Park and then home to bed a very happy man.
