The Story:

Susan come to my hotel. She impressed me when she knocked on the door right on time. Opening the door I thought i had won the lottery, I was a lucky guy. She was business like but with no rush so business out of the way. We had a glass of wine and then stripped of for a massage. Good massage so nice abd relaxed I turned over and then the real fun started. A tongue not to be missed. I almost brought things to an early finish. After a few minutes rest I had a play with her great boobs. Then off we went to the finsh. An hour was not enough.
