The Premises:

Angel's place is a house in a road near the Park. She is decorating at the moment so there are some paint pots, brushes about but it was comfortable enough

The Lady:

Angel is an early 20's, slim blonde of average height. She has a great figure and very pretty face. With her long bleached blonde, make up and lingerie she looked very sexy in a lewd sort of way - no mistaking this minx for a "girl next door"

The Story:

I saw Angel as my regular girl was not answering her phone. I had seen Angel's photos on-line and thought that she would be an ideal substitute.

A quick phone call confirmed she was available so I quickly showered and jumped in the car to Gloucester. On arriving at The Park I phoned for more directions as instructed but had a few problems finding her place.

Another call soon sorted this and I was let into the house by her maid, given my choice of drink (asked for water and was given a sealed, chilled bottle - nice touch!) and then shown to the bedroom. This was cosy enough which was just as well because I had to wait 10 minutes for Angel to appear. It was worth the wait though as she arrived clad in sexy bra, pants and holdups. After getting the paperwork out of the way I said that I wanted a GFE session. She obliged with a nice snogging session then skillfully undressed me, knelt down and gave me some great uncovered oral.

After a few minutes of this I removed her bra and panties then we lay on the bed for some more snogging and oral on me. It was then on with the condom and she hopped on top and rode me energetically. We then swapped to doggy and finished in missionary.

It was a great session and Angel was very chatty and friendly. Will definitely be back - my regular girl has serious competition!
