The Premises:

Excellent ground floor apartment in safe and upmarket area. Clean apartment with large reception area.

The Lady:

Where do I start..... she is absolutely stunning. The photos on the website truly do not do her justice. Large light green eyes, perfect lips and a gorgeous body. She walked in wearing a seductive and beautifully fitting basque.

The Story:

Sally is incredible - highly attractive both on a physical level and personality-wise. I have punted a few times before and she took the whole experience to a different level.

She is has the rare ability to put you at ease and is very engaging in conversation...whilst at the same time enticing and toying with you! I loved every minute of the experience and can still smell her perfume on me now.

I now understand why she has received rave reviews - I am completely converted. I was a little tired after a busy week which I think she was aware of but she did not make me feel concious of the fact. I can easily see why one could fall for her..... there really aren't enough superlatives to describe the experience. Maybe, its enough to say that I wish I was there now.

Asante sana.
