The Premises:

Fairly central, modern apartment. I didn't have my car but parking would be OK.

The Lady:

43yrs, 5'6", good looking, longish dark hair, size 14, nice figure.

The Story:

Carla is nice looking and very friendly, she was wearing a simple, but classy, straight black dress, black stockings and high heels.

I was offered a drink and we sat and had a little chat/flirt on the sofa, before moving into the bedroom, which was candle lit with soft music playing, it felt very relaxed and unrushed. Carla removed all my clothes, before dropping to her knees for some lengthy OWO, with plenty of eye contact. She then stood up, turned round, asked me to unzip her and slowly slid off her dress, this was very horny and she seemed to be enjoying herself too. I then spent quite a long time kissing and fondling her impressive boobs, ending with her getting me between them and sucking me at the same time. Then some RO, leading to orgasm, a minute or two for Carla to get her breath back, on with a condom and straight into mish (my choice) and I was enjoying myself so much, I just kept going and finished like that. Altogether an excellent punt with a very sexy and friendly lady.
