The Premises:

Kittens is a very well laid out establishment. With a double bed and a massage couch in the same room. Large mirrors all round the room. Uniforms a free option.

The Lady:

Dear is a blonde Italian beauty age 23. Wow a porn star with a body to die for. Sexy eyes and beautiful lips. A truly Sexy girl. Would go as far as saying the best girl by far in my long time punting.

The Story:

Dear put me at ease straight away with a chat. Money sorted she started to undress. Wow a porn star. The porn star experience went on. She took me deep throat and so sensitive. Plenty of eye contact. I bent her over the couch to fuck from behind. Watching her ass s I banged her good. I turned her around and watched her face as we had sex. The porn star experience went right through the session. Thank you Dear you were the best ever. I will return in the early new year for a porn star school girl uniform session.
