The Premises:

Eve shares a flat with Isabella, apparently it used to be worked by Silvia before she retired but I haven't visited her. It is modern and clean. Just off a small industrial estate. Discreet and easy to find.

The Lady:

Eve is a large lady in her forties with at least a 42F figure. Not usually my type but she is very welcoming and chatty.

The Story:

After giving those huge tits a squeeze and some kissing, settled down to a nice back massage. Turned over for OWO which again was very nice. The old boy seemed to lose the plot if he came out of Eve's mouth so i asked if I could CIM. Eve readily agreed and after more sucking I shot my load. She swallowed the lot without hesitation. More chatting whilst she cleaned me up and I got dressed. Good punt and value for money. As I said not really my type so I probably won't be back. But if you are looking for a mature lady with a fuller figure who obviously enjoys her work then Eve is for you. I can imagine that a threesome with Isabella,which is available, would be awesome!
