The Premises:

Modern studio flat in a building next to a busy bar on the main street a few minutes from West Hampstead tube, very clean and safe.

The Lady:

Holly is a tall blond Polish girl, very pretty, small but nice firm boobs, in her mid twenties.

The Story:

Having read a few positive FRs here, I had booked an appointment to see this girl as she sounded promising and is local to me. I arrived at the address and was then given the flat number by txt. Holly let me inside her tiny but nice studio with a table bed occupying the main part of the room. We chatted a bit and was asked to take a shower which I did. Shower was clean and modern. While I was in the shower, she dimmed the lights, lit a few candles and put some incense which set up the atmosphere for the massage. With soft music in the background, she started massaging my back and shoulders while she was naked. She has a very pretty body and didn't mind me touching her as we went along. Her massage was soft but sensual, with a brief body to body with her boobs rubbing against my oily back. She made sure I was fully aroused by the time I turned over as she went "down" to business by giving me an excellent OWO to completion. (CIM is ?10 extra, which I had paid in advance). I enjoyed the whole experience, especially the OWO, which she masterly administered, she seemed to want to make sure I enjoyed it and was not rushed at all. It's nice to find a lady who understand "customer satisfaction". I will definitely return and would recommend.
