### The Premises:

My hotel. Very nice...

### The Lady:

My lady friend and I chose Mimi from the site, she's got really nice pix up there but when she came in the room I was REALLY impressed. She's petite, beautiful, really tight toned body, lustrous black hair and a really nice personality.

### The Story:

Hmmm....how far do I go here?

Well, some highlights....

- My lady companion takes it completely in the throat, PSE, running mascara....Mimi worked wonderfully hard at copying her ;)
- Both girls making each other come....licking superbly...Mimi made her come HARD. Awesome
- first load snowballed....dripping down them both onto the carpet....
- fucking Mimi; fabulous...deep in her wonderfully toned body whilst my lady friend and I alternated deep kisses with her....
- her coming a second time :)

Would I go back - I've been ordered to by my lady friend! :)
