The Lady:

Reportedly 29 and Libyan-Brit mix both of which in appearance seemed entirely plausible.

In fact I'm sure she'd appeal to most Arab males (apart from those into goats and watermelons for their carnal pleasures) as well as those of us who fantasise about the womanfolk from the lands of Scheherazade and Abraham - pretty face, size 14 voluptuous curvy build, slightly above average in height, shaved between the legs apart from a small tuft.

The Story:

Superb, absolutely suberb. Yasmin tried hard to please and pleased she did. Extremely well.

She arrived 10 minutes early though spent a first few minutes in the bathroom freshening up. On her reappearance we chatted a bit to break the ice and then into the action - a classic GFE with DFK, RO, OWO, lots of cuddles moving onto covered intercourse in a variety of positions culminating in CIM swallowed. In between were a few activities not found on many wg repetoires including the sucking my toes - a service I enjoy but would never dream of asking for.

I'd paced myself to conclude just the within 60 minutes but she stayed longer snuggled against me in the post coital glow chatting about this and that and in no obvious hurry to leave.

She told me that she hadn't been escorting long which surprised me as she was very accomplished in everything she did. She added that she had a day job (she told me the occupation but I shall be discreet) but was doing this to get enough money behind her to go university and better herself.

This I thought was highly admirable and I was pleased to be contributing to a such good cause. I'm sure that many gentlemen could be easily persuaded to do exactly the same.
