The Premises:

Very spacious and clean flat in Knightsbridge. It is a very busy and bustling part of London, but it's still some how very discrete.

On arrival, I was offered a shower which I gladly accepted as had been on the tube and also as a mark of respect to the lovely lady.

The Lady:

Well, where do I start? I had read some report on how pretty and fit this lady is, but would have to say I was simply blown away by her beauty.

I would describe her as tall(5.9), long blond hair possibly with some extentions and impeccably groomed.

The Story:

This woman loves Sex and it is reflected by the way she does her Job.

During the hour I could not get enough of her sweet tasting pussy.

I alternated between licking her pussy and brown hole and was also allowed to CIM.

I would have liked to try anal with her but not quite sure if she would have been receptive as not everyone likes it, but it wouldn't stop me from seeing her again.
