About 5"4, tanned, brunette shoulder length hair, firm body, fantastic arse, small pert breasts, shaved pussy, asbsolutley gorgeous.

The Story:

She had an incredible body, it was worth the ?60 just to see her naked. first she gave me a gentle massage, she was very calm and soothing and took her time, I couldn't stop stroking her beautiful pussy, it was hot and tight. She gave me oral for what seemed like ages and then she got on top and rode me, then I went on top and gently screwed her with one of her legs over my shoulder so I could feel her arse. after I was done she offered me baby wipes and I had a good long look at that amazing arse, I want more!
