The Premises:

Very basic, just like a walk up in Soho really, but all in all, felt very safe

The Lady:

Kelly, is in her early - mid 20's and is a very friendly girl, she weighs about 7 stones, and is very trim and toned, fantastic flat tummy, and strong muscular thighs, Very small breasts, (so if you like em big, better look elsewhere)

The Story:

I just had a basic massage, with cock sucking and sex, all of which was nice, but no better than that, but for ?20, what do you expect!!.

all in all an enjoyable experience, and one which I shall repeat,
