The Premises:

Very nice en suite room in an anonymous block. huge bathroom, large bedroom with modern bed and sofa. very neat, tidy and beautifully prepared with candles lit everywhere and soft music playing

The Lady:

Violet is absolutely tiny. The website gives her height as 5.3 I think, but that's gotta be with 1 foot heels because barefoot she barely reached my nipples, and I'm not huge at 5.9 But she's perfectly formed, nice constructed tits, smooth skin and a peachy but tiny bum. Definitely the girl in the photos, of which she is very proud.

The Story:

Olina's is an excellent agency - polite and efficient. Violet is friendly, caring and chatty, although her accent is hard to understand at times. No kissing - she said she had a mouth ulcer (I assume that's what she said, it was more sign language really) which if true makes her very responsible. All other services delivered with gusto. Didn't try anal as her pussy was tight enough. This was act 1 of my 2 act weekend fuckfest - I know that many of you studs will scoff at two girls on two nights being any kind of fest at all, but I assure you that once you pass 50 you'll be pleased to climb smaller mountains.

Anyway, for those liking tiny size 4 /6 women, violet is spot on.
