The Story:

First time I've met Abby, what a really good experience. She is very attractive, has a lovely toned slim body, with the bonus of having curves in the right places too.
Abby made me feel very comfortable, such a lovely girl with good conversation and a really nice personality. Probably one of the most professional girls I've met, and really knows what she is doing. she is an amazing kisser and her oral skills are definitely one of the best .

Will definitely see Abby again x
