The Story:

What can I say... I have been on about 15 punts in my time but never been moved to right a review before now. I had read/heard of Pia before so was very excited about my meeting with her and she more than exceeded my very high expectations. Great passionate kisser, great OWO, tight sweet tasting pussy I could go on for ever. She is keen to please and genuinely seems to enjoy her work, not like some of the clockwatchers who make you feel you are an inconvenience to their day. Without doubt the best punt I have ever been on and definitely something I am looking to repeat!
