The Premises:

Met at Anna's lovely, cosy and warm home, its within easy reach off the motorway and parked on the drive. Very good directions from Anna and i arrived on time. Didn't notice any neighbours, felt safe in this quiet location.

The Lady:

Anna met me at the door, double WOW, totally fantastic - she was dressed in a long, figure hugging black dress, her long blonde hair was gorgeous, then I met her shimmering chocolate brown eyes, and I was in heaven - still am as I write this.

The Story:

I was offered a shower before we went into Anna's bedroom and after. Anna has a huge bed, very comfortable.

I believe Anna thoroughly enjoyed our time together. And when she orgasms she lets you know. Totally no clock watching what-so-ever, it was a fantastic first date, hope to see Anna again soon for some more precious time together.

So after a getting to know each other chat and some Blossom Hill red wine, we moved into Anna's bedroom, Anna changed into one of her excellent outfits, OMG my glasses nearly shot off my ears!! Wow she looked incredible, walked around and onto the bed and planted a lingering big kiss. I was well happy, and then we had a gloriously seductive massage, with plenty of ball tickling which sent shivers all over. It was onto me giving some oral to Anna's beautiful, natural pussy, could have stayed there all day and I think she liked it. Anna said it was long overdue my turn, so I have to say Anna's oral skills are legendary and she had me on the edge for quite a bit, as I was fingering and stimulating her moist pussy.

Anna had a shuddering climax, quickly followed by me - Anna was poised ready to cum, instead the idea of that just sent me right over and showered cum straight in the air. Sorry about the mess lol.

After this a kiss and cuddle, chat and shower was offered - and left with the fact that I had made a friend and relaxed, content and very, very happy. Thank you soooo much Anna, you are a true Diamond of the North. See you soon sweetheart. Lots of love, Neil xxx.
