The Premises:

Near Warren Street station. Precise directions and instructions provided by text. No free parking in the vicinity before 18.30 even on Saturdays.

The Lady:

Mid 20s, slim, average height, medium sized bust, cleanly shaved. The description given on the HoD site seem about right. In the flesh, she's far more attractive than the photos.

The Story:

A cancelled meeting while in town provided me with the opportunity to check out HoD's NW1 location. Tired and stressed after a long and complex earlier meeting, I really wasn't in the mood for a punt and thought I might encounter performance difficulties. I need not have worried as Kathleen easily fired me up at the start and kept me fired up until the finale nearly 30 minutes later. In between there was plenty of dfk, fingering, owo and a little ro but the highlight was me sucking her toes while she played with herself. She seemed genuinely turned on by this and became increasingly passionate as the session progressed. Matters culminated with cim finish.

Concluding, Kathleen's charm and performance, ihmo, puts her in the premier league of providers working in the HoD group. I will most certainly recommend without hesitation.
