### The Story:

When you click, you click. We were able to start slowly and break the ice, with undressing an important part of this. Layla has a great body which she kindly allowed me to kiss all over to good effect. The sex was brilliant, the conversation was superb and I could listen to her voice and laugh for hours. The booking was originally for 90 minutes but extended to 2 hours to give time for a massage with oils, which was divine. A great partner who enjoys her work, this was an excellent encounter and one I'll remember for a long time.
