The Premises:

A city centre, compact apartment that felt secure. Shower available and decent bed. Easy comms.

The Lady:

Anabel looks her given age of 35 and she has the voluptuous figure that I was looking for today - a change from my normal preference.

The Story:

Had a fine time. Anabel knows exactly what she is doing and what her customers like. So an initial cuddle saw her magnificent breasts scooped out from her top for my pleasure. Then her bum was presented to me and the pants were slipped down.

While I was still standing, Anabel slid down to give prolonged and energetic oral without before more cuddles, fondles and fumbles on the bed.

Sex was reverse cowgirl to start and then mish with kissing and then french kissing as we both got really into the action.

I asked to be finished off with an oily handjob and Anabel was happy to keep going with this as long as I wanted with my fingers wandering and her spare hand allowing itself to be guided to my bum.

Anabel was offering to do more even as I hapily began to reach for my clothes. We seemed to have done a lot for the time not to have been up but I doubt she was clock-watching and more likely concerned to ensure I had all I wanted from the meet.

I did.
