The Premises:

I met Paris at her home, very safe and discrete, very clean and welcoming. She provided excellent instructions and it was very easy to find.

The Lady:

Paris was even more attractive in the flesh than in her pictures. She has a beautiful face, and a wonderful bum. She was dressed in a transparent string dress and a G string, she looked amazing.

The Story:

In my opinion Paris is the perfect escort, she was friendly and outgoing and I got the impression that she truly wanted to please me. She didn't wait to be asked to do anything. She knows how to please a man. She did everything she could to ensure that I left satisfied and relaxed and she succeeded in doing so. Paris is a genius with her mouth and hands and isn't shy about performing and she finished up by giving me a massage and allowing me to use her shower facilities.
