The Premises:

Nice, well-equipped flat in a quiet area.

The Lady:

Abbey is tall, slim but not skinny. With her figure she could be a model. Very nice smooth skin. All in all an incredibly pretty lady.

The Story:

I won't go into details; if you look at the web site you will see the things that Abbey likes to do, and she did everything I asked without question. She is very submissive. Even though she was very new, there was no hesitation or indecision regarding the activities. I had a great time and I think she did too.
