Flat is tidy and in a safe area, you are made to feel welcom.

The Lady:

Slim size 8? blonde shoulder length hair nice tits for such a small girl, at first glance you will want to fuck her brains out.

The Story:

Money exchanged, got undressed she returned started talking and rubbing my back, asked if i wanted talk or oil, then went on to give good massage with occasional bollock rub. Asked to turn where she started rubbing the old man and climbed on top, kissed & sucked my nipples then rubbed her tits over my helmet - still talking put the condom on and gave me a good deep throating, its a shame the smaller room didn't have a mirror at the foot of the bed coz you could of seen her glorious ass and pussy, I now know how a pig looks with its throat cut ha ha it was luvly. After 5 mins she said get your ass behind me and fuck me, so who am i to argue, after a good shafting I shot my load deep into her. will have to shake it off now at the memory.....
