The Premises:

Very clean and modern ground floor bedsit in private terraced block. Very smart area. Felt very safe.

The Lady:

Tall, slim blonde. Very fit and sexy. Fantastic 36C natural tits with large nipples and firm arse. Looks as great as she does on her web site, even though photos look air brushed.

The Story:

Answered the door wearing black stockings, high heels and corset, just as requested. Had glass of wine and chat to relax. Vicky is a very intelligent Russian / Italian lady studying English and beauty therapy. Speaks good English in very sexy accent. Started with good covered oral (said she would do BBBJ next time as my cock is good), great tongue action. Happy for me to eat her pussy, which I gladly did as 69 (my favorite), very clean and tasty. Good sex session followed in lots of positions, with real enthusiasm. She actually looked like she was enjoying it. Had great massage afterwards, following by lots of chat, cuddles and kissing. Not a clock watcher. How a good punt should be, made to feel welcome. Can't wait for next visit. Treat her well guys.
