The Lady:

It's been a while since I last saw Tegan and the whole time spent with her was like it was yesterday. Yeh, we had alot of catchin up to do (amongst all the gossipin as well), but from the moment she waltz through reception and entered the bar area it was like that 'first date' feeling all over again!

Tegan definately dressed to impress, in a little black dress and impress she certainly did! Judging but the number of heads she turned in the bar, I wasn't totally on my own in my opinions!

Pictures and discription on Helen's website are very accurate.

The Story:

FAN-BLOODY-TASTIC!!!!

Just 'THE BEST' overniter I have ever had the pleasure of!

Some of you may be aware from my previous reports, that Tegan and I have kinda clicked in the past.....this time was no different. I think the 'GFE' was played out to the full in this meeting,by both of us. I think she was nearly, I do say nearly, as pleased to see me as I was her!

Well, this night just flew by and before too long, after consuming breakfast, I was watching with increasing lust Tegan sliding into her skin-tight jeans and slipping a pink 'flirt' T-shirt on and dissapearing back into Geordieland! Christ I nearly booked her for all day as well!

This wasn't sex with a working girl, this was so much more. I know that is what Tegan is, but I struggle to label her with this 'Escort' title. This was, or it seemed to be very mutual. I thank Tegan for making me feel very special, for a few hours at least.

We laughed, we joked,
We drank, we smoked,
We cuddled, we kissed,
And we both got pissed.

That about sums the night up!

Thanx Teegs, Happy Xmas, see you again soon. x
