### The Story:

Two ladies Diane the sexy Turkish lady, was busy so opted to see Stephanie who was taller, but wished I didnt.
All I can say is this WG didnt seem very interested. In fact she looked like a school teacher or office worker who is doing this job to make a bit of money on the side. Her mind seemed else where. Covered bJ was boring not much technique and my knob actually went softer! We did sex doggy, to say it was like shagging a sack of potatoes would be an understatement. She just stayed in doggy or all fours position and did not move, her eyes closed like she wished she was at school teaching or typing in the office. She must think a punter couldnt tell the difference from a good service and a bad one. Total waste of time and money I pulled out without comming when I couldnt put up with her fakeness anymore. A punter is supposed to enjoy himself but not by her attitude. You must be in the wrong game luv, its not suitable for those just in it for the money. I went to see Katie at Jemma?s and had a very good punt. Avoid her
