The Story:

I saw her when she was over last year and the last time I saw her was together with Bianca - see my earlier review. Anyway, she's now back, a little less girl nextdoor and more grown up and sophisticated. More aware of her potent sexuality now which has obviously come from having so much sex. Peeling off her gorgeous lingerie almost seemed a shame as she looked so beautiful in it and my heart raced as I exposed more naked flesh inch by inch. We started on the sofa, lots of touching kissing and caressing. Then in front of the mirror and I stood behind her as she writhed like a lap dancer feeling her up. On to the bed for delicious 69 and then urgent fucking ending in a shattering climax all over glowing skin of her perfect natural tits. A glass of wine on the sofa and then she used her hand, mouth and tits to get me hard for round 2. I spent a lot of time sucking on her gorgeous snatch too. Highly recommended!
