The Lady:

Very attractive great body, a few tasteful tattoos make her even sexier

The Story:

Started with me on my back and massage with summer rubbing her lovely breasts on me. Had asked for oral, reverse oral and GF think she liked the idea of the reverse oral so that was first then we had sex in a number of positions till I finished off on her breast.

We had a pretty good talk about ourselves and stuff, she was great to get on with, highly recommend will be back sooner than I first intended.
