The Premises:

the galaxy is on a quite residential side street in burnage/east didsbury. very discreet even on a sat afternoon and plenty of parking on the road. inside is your fairly average massage parlour, two rooms with showers and double beds. if you like mature ladies this is the place.

The Lady:

brandy is a petite lady with small pert breasts and a cheeky face. as for age about 40ish i would guess even though they stae late 30's on the phone.

The Story:

i really enjoy a good massage before the sex, but more the teasing kind, with light fingertip brushes between the legs, oooh the anticipation! and i haven't found anyone who does it better than brandy. i don't really want to write a blow by blow account (phnar) of the sex but the lady is broadminded, a levels are not on the menu though. what you get is a great unrushed gfe with an experienced mature lady, which I always find preferable to seeing a stunner then getting a knock on the door before you?ve finished. Thoroughly recommended.
