### The Premises:

Clean flat in new apartment block. Access via entryphone. Pretty safe. Parked on the road.

### The Lady:

Blond from Czech republic, early 50s, kind of MILF looking. Not overly pretty but not unattractive either.

### The Story:

Paid for an hour ?90 + ?20 for A. The punt itself was mediocre. Jenna refused a request she had agreed over the phone and also verbally prior to receiving the cash (also on her profile on 'the site that must not be named') - her English is pretty good so it was not a case of genuine misunderstanding.

Oral was covered (not owo as advertised on profile)- she seemed to be trying but no real suction. Tried cow then doggy, but no tightness, my johnny lost hardness so asked for a handjob. She used oil, seemed to hinder more than help so in the end had to jerk myself off! On usual punts I can cum the first time with just oral, so this was definitely a below par experience.

30 minutes up, I had paid for an hour so expecting another 30 mins attention ... and Jenna says she is going to have a shower. I got the distinct impression the sesh was over as far as she was concerned, I had to stop her and insist I had paid for an hour. Now a second time just wasn't going to happen so I asked for a massage instead and pleasant surprise, one of the best back rubs I ever had, so the time was not a total waste.

After 15 mins she then stoppped and that was that. We never got round to A-level but when I mentioned it she said of course we did, couldn't you tell? It really rounded off my worst punting experience yet!

Only really worth it for the massage, but the sex was disappointing. And definitely do not pay for an hour, you will be leaving early!
