### The Premises:

Chester City centre, approx 5 min walk from Train Station. There is secure parking within the apartment complex. Directions to the premises were accurate and Chloe let me in straight away so I wasn't hanging round or talking over the intercom in front of strangers. I felt secure entering & leaving the area. The apartment was as described in the web page and the room was exceptionally clean with fresh towels and washing product available for my use before and after. (a lift is available for you when you leave in case you're tired!!!!)

### The Lady:

This girl is first class, I have been doing 'the punter scene' for a while and this is up there with the best.

Chloe is so easy going, no uncomfortable moments of falseness about her for the duration of the visit. She asked during my booking what were my choices in outfits and she was able to accommodate fully. She looked amazing!!! Although her web pages don't show face pictures I can assure you boys (or girls) that you will not be disappointed. Chloe takes great pride in presenting herself at her best for the client so make sure you take advantage of the shower offer before you start, I'm sure it will pay off.

### The Story:

As I'd been working I decided on a hot shower then a short massage, Chloe did this superbly, ....Chloe flipped me over and got in between my legs for oral, this was done to perfection and she asked me if I like it fast or slow.....Slow was the answer and boy was this good, plenty of eye contact during the BJ session as well.

To see Chloe wearing the stockings, suspenders and bra was superb and I had to make a start on unwrapping them from her fabulous body. She was more than happy to let me do this and once uncovered got to see the immaculate body in the flesh.....time for more oral then onto doggy.....it's going to be an hour's booking next time.....SUPERB.

As other reports on Pnet say...be good to her and she'll be good too you
