The Premises:

Nice, clean, modern apartment in the Armouries area of Leeds. Large Pay & Display car park a couple of minutes walk away.

The Lady:

18 years old, 5'4", 34c, size 6-8, blonde. Pictures on website are pretty accurate.

The Story:

Isabelle let me in and offered me a cup of tea - while making it she ran through a list of what she does and doesn't do (no A, she seemed surprised her profile still shows this, but not a problem for me). We chatted for a bit to break the ice, then moved through to the bedroom.

Lots of french kissing as we undressed each other slowly, then I went down on her for a while until she came. She returned the favour with some truly excellent O, before handing me a condom which I put on.

We had slow, lazy sex on our sides facing each other while french kissing - just what I was in the mood for and I didn't last too long.

I was then offered a shower (nice fluffy clean towels were provided) and soon after left, giving Isabelle a kiss on the way out.

Isabelle seems to genuinely enjoy what she's doing - she never seemed to be faking anything, or 'going through the motions'. It didn't feel like there was a script being followed which can sometimes be the case - a good proper GFE as it should be. She comes across as more mature than her 18 years and very willing to please.

Definitely highly recommended and I expect I'll be visiting again soon!
