Clean well presented on the Coventry Road

The Lady:

Stunning blond girl in early twenties. Gorgeous slim body with perfect breasts. The kind of girl you would love to meet on a night out.

The Story:

Started with a quick massage which was very nice in itself then turned over and got the old man working. Anna has a wonderful touch and is very attentive. Continued on to a perfect covered blow job during which she made good use of those wonderful tits. Followed by an excellent body to body grind which was bliss and finally on to sex in mish. Absolutley beautiful girl who makes all the right noises without being too fake. Highly recommended.
